

Remarks

Claims 1-8 were pending in the application. By the foregoing amendment, no claims are canceled, no claims are amended, and no claims are added. No new matter is presented.

The Drawings

Attached are Replacement Sheets 1-4 of formal drawings. FIG. 1 shows hidden elements with broken lines (e.g., a portion of element 94 hidden behind element 100). FIG. 2 furthermore adds the reference  $R_T$  to the already-illustrated dimension line. FIG. 2 also corrects erroneous reference numerals 514 and 518 to read 114 and 118 consistent with FIG. 1. FIGS. 3 and 4 have been formalized. It is noted that the CAD files from which each of the figures were derived were taken at slightly different orientations producing slightly different sections through upstream portions of the nozzle.

Accordingly, Applicant submits that claims 1-8 are in condition for allowance. Please charge any fees or deficiency or credit any overpayment to our Deposit Account 02-0184.

Respectfully submitted,
